

# Leadership Academy: How to lead effectively

*Targeted support for leaders and executives*

## Why and for whom?

- Your company is growing and **you're ready for the next leap** – but all your energy is tied up in day-to-day business, leaving you without the necessary **time and inspiration**?
- Your leadership team has **limited experience** with **effective leadership**?
- Neverending 120% sprints pose a **risk** to **team spirit, motivation, and health**?

## What's in it for you?

- **Hands-on support** with **current challenges** in your leadership role
- **Condensed knowledge** tailored to executives on **self, team, and company leadership**, with helpful tools, templates, tests, and data (accessible at any time)
- **Proven key insights** on motivation, purpose-driven leadership, psychological safety, effective collaboration, innovation, self-competence, etc.
- **Exchange** and discussion with experts and other **executives**

Sounds good? **Click here:**
